ABOUT THIS SERIES

This 3-part webinar series is presented by BPDD and Wisconsin Managed Care Organization partners.

WEBINAR 1

**Person-Centered Planning
for Community Connection**

**September 15th, 2026
12:00–1:00 PM**

Discover how person-centered planning can help you build meaningful relationships, try new activities, and help you get involved in your community. Learn simple steps for turning goals into real plans. Hear from people how they have built their plan.

WEBINAR 2

**Making a Difference:
Serving on Community
Boards and Councils**

**September 22nd, 2026
12:00–1:00 PM**

Want to help make decisions in your community? Learn about ways to join advisory councils, nonprofit boards, local committees, and other community groups. Hear from people who serve on these boards and the difference they make.

WEBINAR 3

**Using Your Lived
Experience to Create
Change**

**September 29th, 2026
12:00–1:00 PM**

Your life experiences matter. Learn how to share your personal experiences in ways that teach others, influence leaders, and create change in your community. Hear from people who have used their life experience for change.
