

How to Use the Community Care Provider Directory

Our provider directory is designed to provide you with the most up-to-date list of providers in our network. Providers are displayed by provider name in ascending order.

Search by Provider Name

To search by provider name, first select the county you want to search in. Then click Provider Name.

You should then see a Provider Name textbox. Enter all or part of the name you'd like to search for. Then press the Search button. Results matching your search criteria will be displayed in a list.

Select a County: Milwaukee

Select a Search Type: Provider Name Provider Type

Provider Name: carballo
